Notes from a paper shelf
An original fixture, not a published book.
Page one. The Chinese samples are EPUBs.

The reader keeps this page as a fixed PDF.
Curl is a perspective fold, not a reflow.
Standard Times-Roman only.

Turn again. Progress should move.
Close the book and it remembers the page.
No network is required after import.

Last page.
If you can read this, PDF.js rendered the fixture.
End of the paper notes.
